Dear Parents/Carers

I am writing regarding parking at the end of the school day. Residents in Conor Rise have raised concerns about congestion caused by parents parking in the area. Please be considerate of the residents right to not have their property blocked by a parked car, particularly those with a disability.

I understand that this is the only area to wait for your daughter at the end of the day, but I am sure that you will leave sufficient space for the residents in the future, and I thank you in anticipation for your help in this matter.

PLEASE NOTE: To facilitate staff briefings **registration on Wednesday afternoons is cancelled** until further notice – effective from Wednesday 27 September 2017.

Thank you for your continuing loyalty and support. If you have any issues causing concern, please contact the school.

Yours sincerely
